Explanation of Course Numbers

The Boston College Course Number consists of ten characters. The first four characters (alphabetic prefix, e.g., "ACCT") indicate the department or program offering the course; the last two characters indicate the section number. The middle four digits indicate the level of the course. When listing courses the entire ten-character symbol must be used as well as the four digit INDEX number which appears to the left of the course. For example: 7463 ACCT102101.

Meeting Days

The meeting days of each class are listed in this booklet as follows: M=Monday, T=Tuesday, W=Wednesday, Th=Thursday, F=Friday.

Level of Courses

Course levels are designated in this booklet as follows:
CORE—Courses fulfilling University Core requirements
ONE—Undergraduate electives
TWO—Undergraduate courses designed primarily for majors
THREE—Courses for undergraduate and graduate registration
GRAD—Courses for graduate registration

Meeting Times

The meeting times of each class are listed in this booklet. Unless otherwise stated, class periods are of either 50 or 75 minutes duration. Seventy-five minute periods are designated by an asterisk (*) after the meeting day and time (e.g., T TH 1:30*)

History

Although all modern history courses cover a common list of topics, they otherwise vary significantly. Students are very strongly advised to read the course description in the catalog or on the web before they enroll in a particular core course.

University Courses

Capstone

No student may take more than one Capstone seminar during his/her undergraduate years. This is true whether the course is listed under UN numbers or as a course in a specific department. If a second Capstone course appears on your record, it will be removed. This could make you ineligible for graduation.
